Your current balance displays at the top of the page. You can either pay this entire balance, or pay a specific invoice.

1. To pay your entire balance, click **Pay Now next to the balance amount**.
2. To pay a specific invoice, click **Pay Now next to the invoice amount** in the Recent Invoices section.

Note: You can also pay an unpaid invoice by opening up that invoice and clicking the Pay button at the top of the document.

No matter which pay button you choose, the next steps are the same.

1. Enter the cardholder's name, card info, and billing zipcode.
2. If you'd like to store this card to use in the future, check the **Remember Card** box.
3. The amount on the Pay button will reflect the payment that you're making. Make sure it's the correct amount, then click **Pay \$(amount)**.
4. You'll see that the status next to that invoice date in your recent invoice section has changed from **Due** to **Paid**.

If you stored the card, you'll be able to select this card from a dropdown menu for future payments.
